

# West County United

*The Merged Western Soriana County WESCO & Simply Soccer Leagues*

March 2009

Friends in Soccer,

Start your . . . dribbling???

Yes it is that wonderful time of year again and the 2009 Soccer Season will soon be upon us. We have many loyal sponsors who have generously donated in the past. It has been generous local businesses like you that have made our seasons possible. Businesses like yours are an integral part of our community and keep kids playing and families watching throughout the season. Your sponsorship is needed and appreciated for the 2009 soccer season.

Attached you will find our 2009 Sponsorship Program. We ask that you take a look and see how you as an individual or as a business might be able to assist. From prominent exposure on our website to team flags, WCU offers many levels of sponsorship to choose from. As a sponsor of West County United - your business will be featured on the West County United web site. This site was visited more than 30,000 times during last year's WCU Soccer Season. The site is used locally by families, teams, coaches and referees to communicate game schedules (which change often driving repeat web site visits), for registration, to announce meetings and important information and more. This year's sponsors will be included in a web advertisement showcasing their business as a supporter of West County United Soccer Program. It is a very good way to position your business with a targeted local audience who are willing to support those businesses that support our children's soccer.

Please visit our website at <http://www.wescosoccer.org/> to see the many players involved and keeping active by playing soccer.

Our 2009 goal is to have a sponsor for each soccer team. Including some Gold Team Sponsors that will include players practice t-shirts with your logo displayed. We hope you will take the time to call and ask questions or elect a sponsorship level on the following page and help keep kids kicking.

Sincerely,

Jana Wacholz
