Maximum number of points allowable per game: 10

## 14. Tie Breaking Procedure

In case of a tie in tournament points following the completion of preliminary games, the advancing team will be determined based on the following criteria in the order specified:

1. Two Teams: Head to Head competition – team that won the head to head competition between the teams that are tied will advance. If the two teams did not play each other then use the following tie-breaking procedure:
  1. Goal Differential. Team with the lowest goal differential is eliminated.
  2. Compare wins. Team with the least wins is eliminated.
  3. Compare goals allowed. Team with most goals allowed is eliminated.
  4. Compare goals scored. Team with least goals scored is eliminated.
  5. Kicks from the penalty spot as per FIFA rules. The team with the most successful kicks advances.
2. Multiple Teams: Should there be a tie in tournament points between three or more teams, the tie-breaking procedure is as follows:
  1. Goal Differential. Team with the lowest goal differential is eliminated.
  2. Compare wins. Team with the least wins is eliminated.
  3. Compare goals allowed. Team with most goals allowed is eliminated.
  4. Compare goals scored. Team with least goals scored is eliminated.
  5. Kicks from the penalty spot as per FIFA rules. The team with the most successful kicks advances.

When and if only two teams remain tied at any point while using this multi-team procedure, return to A (Two Team Tiebreakers) and continue until there is one team remaining.

During championship and consolation games, if a score is tied at the end of regulation play, there shall be two overtime halves played of 5 minutes duration each. Both overtime halves must be played; at the end of the overtime period, the highest scoring team is the winner. If the game is still tied, then the winner will be determined by kicks from the penalty spot as per FIFA rules.
